Why do I do Scouting? Why does Scouting mean so much to me and my family? I hear these questions from time to time and without even thinking, the answer is usually something along the lines of "because it is so much fun". Yes, scouting is a lot of fun. It is so much more than that also. Scouting is what brought me and my family to the church. Because we are all coming to church now, we are on a path of exploring and learning about our faith. We owe this to scouting. Plus, the satisfaction I get in watching the kids succeed and accomplish things that they never thought would have been possible is incredible. Scouting has helped me become a more outgoing person who loves to give back to the community. Serving others and wanting to make this world a better place is now high on my priority list. I consider myself and my family to be better people because of scouting and the church. See, the ministry of scouting works! I'm proud to be a member of Cooper Memorial and a leader in Troop 190.
