Ash Wednesday Service

March 9th

7 PM

"PAUSE"

Lenten Time of Prayer

Sundays March 13 – April 17 6:00PM

This service is a time where we can spend an intimate, passionate, prayerful time with our Lord as we begin a new week. The service will contain a time of song, devotion, and end with prayer. There will also be a time of anointing individuals with oil if requested. Prayer time will be an individual prayer time at the altar. Individuals are dismissed when they complete their time of prayer. Pastor Trish will be available to pray with individuals if needed. We are asking the body of Christ to support this service by attending, inviting those who may normally work on Sunday mornings and can't make it to church, invite those who don't have a church, or even those who do but are looking to attend a service at night, too. This is not a service for CMUMC only. This is a service for all those who are seeking a time with the Lord where they can renew their hearts before beginning a new week.
