

2010 Annual Conference June 9-12

"Called by Christ Sent to Serve"

Northern KY Convention Center Covington, Kentucky

## AC 2010 Mission Offering

### 2010 Mission Offering Benefiting Red Bird Missionary Conference

One of three missionary conferences in the United States, [Red Bird Missionary Conference](#) is the most comprehensive mission effort of The United Methodist Church in the country. It provides outreach and services that minister to the whole person (spiritual, physical, social, and economic).

The Conference is comprised of 23 churches, four outreach centers, and four mission institutions (The Bennett Center, Henderson Settlement, Red Bird Clinic, and Red Bird Mission). In addition there are other ministries of nurture, outreach, and witness, including the Appalachian Local Pastors School (ALPS) and Camp O' Cumberlands.

The Kentucky Conference cabinet has set a goal of raising \$100,000 for our mission offering this year. Bishop Lindsey Davis, who presides over both the Red Bird and Kentucky Conferences, writes, "While this is an ambitious and unprecedented amount for our conference, I am confident in your generous spirit." Monies will be divided among four areas of ministry: education, youth ministries, pastoral support, and physical plant improvements.

Each local congregation is encouraged to collect a special offering to benefit Red Bird Missionary Conference on June 6. Then bring your check to give during our Mission and Ministry Celebration on June 11.
